FormFactor to Present at the Goldman Sachs Technology Conference

LIVERMORE, CA, Feb 13, 2008 (MARKET WIRE via COMTEX News Network) -- FormFactor, Inc. (NASDAQ: FORM) is pleased to announce its participation in the Goldman Sachs Technology Conference on Wednesday, February 27, 2008. The company's chief financial officer, Ron Foster, will participate in an investor presentation at 4:00 p.m., PST. The public is invited to listen to a live webcast of FormFactor's presentation, which can be accessed from the Investors section of the company's website at www.formfactor.com. A replay of the webcast will also be available approximately two hours following the conclusion of the presentation at www.formfactor.com.

About FormFactor:

Founded in 1993, FormFactor, Inc. (NASDAQ: FORM) is the leader in advanced wafer probe cards, which are used by semiconductor manufacturers to electrically test integrated circuits, or ICs. The company's wafer sort, burn-in and device performance testing products move IC testing upstream from post-packaging to the wafer level, enabling semiconductor manufacturers to lower their overall production costs, improve yields, and bring next-generation devices to market. FormFactor is headquartered in Livermore, California with operations in Europe, Asia and North America. For more information, visit the company's web site at www.formfactor.com.
