## **FormFactor to Present at the Morgan Stanley 2008 Technology Conference**

LIVERMORE, CA, Feb 21, 2008 (MARKET WIRE via COMTEX News Network) -- FormFactor, Inc. (NASDAQ: FORM) is pleased to announce its participation in the Morgan Stanley 2008 Technology Conference on Tuesday, March 4, 2008. The company's chief financial officer, Ron Foster, will participate in an investor presentation at 2:45 p.m., PST. The public is invited to listen to a live webcast of FormFactor's presentation, which can be accessed from the Investors section of the company's website at [www.formfactor.com](http://www.formfactor.com). A replay of the webcast will also be available approximately two hours following the conclusion of the presentation at [www.formfactor.com](http://www.formfactor.com).

### **About FormFactor:**

Founded in 1993, FormFactor, Inc. (NASDAQ: FORM) is the leader in advanced wafer probe cards, which are used by semiconductor manufacturers to electrically test integrated circuits, or ICs. The company's wafer sort, burn-in and device performance testing products move IC testing upstream from post-packaging to the wafer level, enabling semiconductor manufacturers to lower their overall production costs, improve yields, and bring next-generation devices to market. FormFactor is headquartered in Livermore, California with operations in Europe, Asia and North America. For more information, visit the company's web site at [www.formfactor.com](http://www.formfactor.com).
