## **FormFactor to Present at the Lehman Brothers Technology Conference**

LIVERMORE, Calif., Dec 04, 2007 (BUSINESS WIRE) -- FormFactor, Inc. (Nasdaq:FORM) is pleased to announce its participation in the Lehman Brothers Technology Conference on Wednesday, December 5, 2007. The company's chief financial officer, Ron Foster, will make a presentation to the financial community at 1:30 p.m., PST. The public is invited to listen to a live webcast of FormFactor's presentation, which can be accessed from the Investors section of the company's website at [www.formfactor.com](http://www.formfactor.com). A replay of the webcast will also be available approximately two hours following the conclusion of the presentation at [www.formfactor.com](http://www.formfactor.com).

### **About FormFactor:**

Founded in 1993, FormFactor, Inc. (Nasdaq:FORM) is the leader in advanced wafer probe cards, which are used by semiconductor manufacturers to electrically test integrated circuits, or ICs. The company's wafer sort, burn-in and device performance testing products move IC testing upstream from post-packaging to the wafer level, enabling semiconductor manufacturers to lower their overall production costs, improve yields, and bring next-generation devices to market. FormFactor is headquartered in Livermore, California with operations in Europe, Asia and North America. For more information, visit the company's web site at [www.formfactor.com](http://www.formfactor.com).
